Safety Glasses  
Screwdrivers  
Tape Measure  
Pencil  
Level  
Scissor

Sink Template  
Sealant  
Drill w/ ½” or larger drill bits  
Jigsaw  
Specialized Tools, as required  
Keyhole Saw

## Important Information

**CAUTION:** Risk of personal injury or product damage. Cast iron sinks are very heavy. Be sure to have assistance when lifting the sink.

**NOTE:** The sink illustrated in this guide may differ from your actual product but the installation steps in this guide still apply.

- Only an experienced installer should install this product.
- Two people should install this product to ensure a safe and damage-free installation.
- Unpack the new sink and inspect it for damage prior to installation. Keep sink in its protective box until you are ready to install it.
- Attach the faucet and strainer to the sink before installing the sink, if possible.
- Install the sink so future removal from the countertop is possible without damaging the countertop. In case the sink needs to be removed, locate the fasteners for easy access after installation. Do not use adhesive sealants.
- Prior to installation select the proper fasteners and use the proper techniques to ensure that the cabinet walls, sink support framing, hardware and fasteners will support a minimum of 300 lbs (136kg). Inspect the drain and supply tubing; replace if necessary.
- Observe all local plumbing and building codes.
- All information in these instructions is based on the latest product information available at the time of publication. SONG reserves the right to make revisions in the design of products without notice.

## 1. Verify Wood Frame Clearance for Installation

- Measure the overall width of your sink. This distance is shown above as the “A” dimension. Make sure there is adequate clearance between the faucet handles and the backsplash or finished wall.
- If your cabinet has a wood frame on the inside of the cabinet, make sure that each side is between the outside edges of this “A” dimension as shown above. Allow adequate clearance for the faucet valves and sink basin.

## 2. Cut the Countertop to Install the Sink

- Using the SONG Template mark on the countertop the inside/self-rim line by tracing the cut-out.

- Drill pilot holes and cut the countertop opening.

- Make sure sink fits through cutout in countertop and adjust cutout if needed.

3. Install Faucet and Strainer, and then Install Sink onto Countertop.

- Attach remaining other plumbing fittings.

- Apply a thin bead of silicone sealant where the sink meets the countertop.
- Take care to immediately wipe away any excess sealant with a damp rag so it is a neat smooth seam. If there are any uneven seams, fill them to eliminate any voids.

- Finally run water into the sink and check all connections for leaks and adjust if needed

# Care and Cleaning

**IMPORTANT:** Never use an abrasive cleanser or abrasive brush/scouring pad to clean cast iron. For best results, keep the following in mind when caring for your SONG product:

- Always use a mild liquid dishwashing cleaner or soap and warm water to clean your sink. Never use an abrasive cleaner that can scratch or dull the finish. Always test a new cleaning solution on an inconspicuous area before applying to the entire surface to make sure it is not abrasive.
- Do not allow cleaners to sit on the surface. Wipe surfaces clean and rinse completely with water immediately after applying cleaner. .
- Always use a soft, dampened sponge or cloth for cleaning. Never use an abrasive tool such as a rough brush or iron scouring pad to clean surfaces.
- Be careful not to leave staining materials in contact with the surface for extended periods of time.
- The ideal cleaning technique is to rinse thoroughly with water to remove any remaining cleaning solution and then to use a towel to dry any water from the surface after each use.

## **SONG Cast Iron Limited Warranty**

**SONG** warrants the cast iron components of products to be free of defects in material and workmanship during normal residential use for as long as the original consumer purchaser owns his or her home. Gloss reduction, scratching, staining and alkaline etching of the finish over time due to use, cleaning practices or water or atmospheric conditions, are not manufacturing defects but are indicative of normal wear and tear. This warranty applies only to **SONG** Cast Iron products installed in the United States of America, Canada or Mexico (North America).

If a defect is found in normal residential use, **SONG** will, at its election, repair, replace or make appropriate adjustment. Damage caused by accident, misuse, or abuse is not covered by this warranty. Improper care and cleaning will void the warranty. Proof of purchase (original sales receipt) must be provided to **SONG** with all warranty claims. **SONG** is not responsible for labor charges, installation, or other incidental or consequential costs. In no event shall the liability of **SONG** exceed the purchase price of the product.

If the cast iron product is used commercially or is installed outside of North America, **SONG** warrants the cast iron product to be free from defects in material and workmanship for one (1) year from the date the product is installed, with all other terms of this warranty applying except duration. All other components other than the enameled cast iron component carry **SONG's** one-year limited warranty unless otherwise specified.

If you believe that you have a warranty claim, contact **SONG**, either through your Dealer, Plumbing Contractor, Home Center or E-tailor, or by writing: **SONG** Bath., Attn.: Customer Service, 146 Old Kings Highway, New Canaan, CT 06940, USA. Please be sure to provide all pertinent information regarding your claim, including a complete description of the problem, the product, model number, color, finish, the date the product was purchased and from whom the product was purchased. Also include your original invoice. For other information or to obtain the name and address of the service and repair facility nearest you, call 1-800-353-0313 from within the USA, 1-203-966-3043 from outside the USA.

**SONG AND/OR SELLER ARE PROVIDING THIS WARRANTY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANT ABILITY AND FITNESS FOR A PARTICULAR PURPOSE. SONG AND/OR SELLER DISCLAIMS ANY LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.**

Some states/provinces do not allow limitations of how long an implied warranty lasts or the exclusion or limitation of such damages, so these limitations and exclusions may not apply to you. This warranty gives the consumer specific legal rights. You may also have other rights that vary from state/province to state/province. This warranty is to the original consumer purchaser only, and excludes product damage due to installation error, product abuse, or product misuse, whether performed by a contractor, service company or the consumer.

**This is the **SONG** exclusive written warranty.**
